The Wileyan

We have tried in this 75th Anniversary Edition of the Wileyan to picture life at Wiley during the school year.

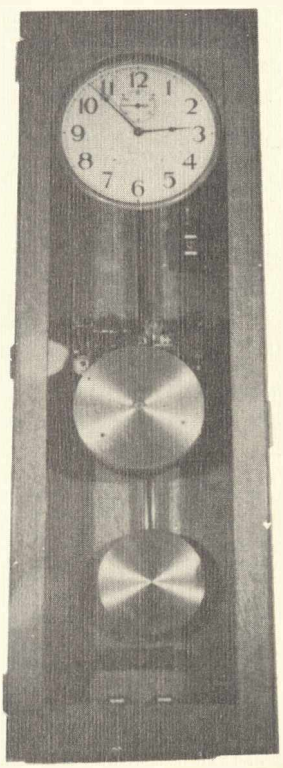
We begin in the morning as we rise, arrive at school, and move through the study halls, library and our various classes, combining work with pleasure true to Wiley Tradition.

AND SO_____

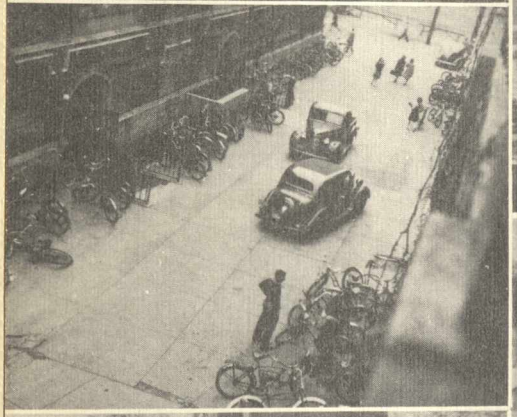
IT'S

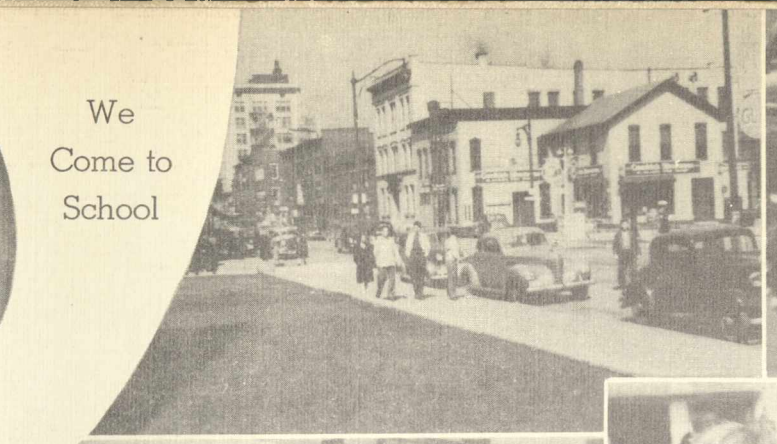
JUST_____

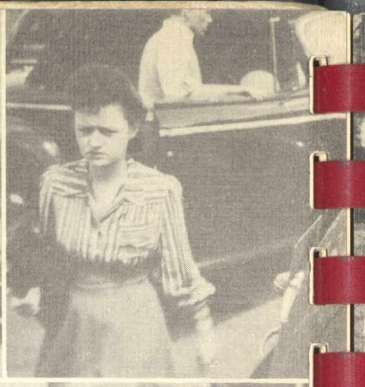
AROUND THE CLOCK AT WILEY

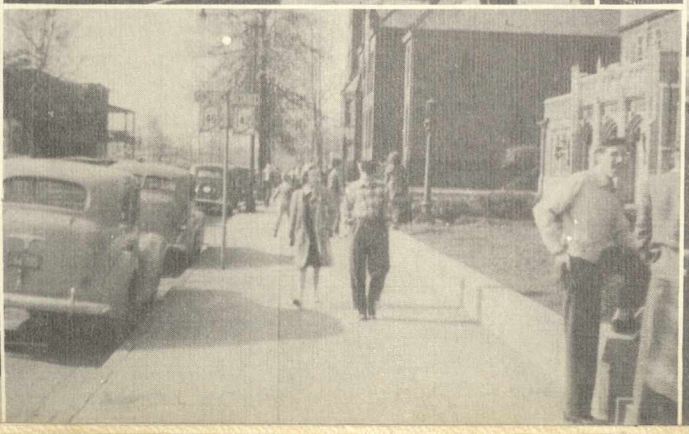


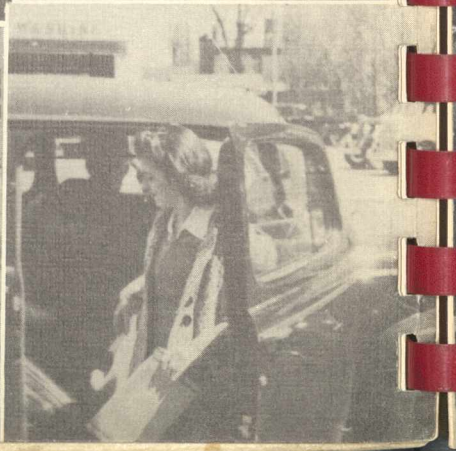
We Come to School

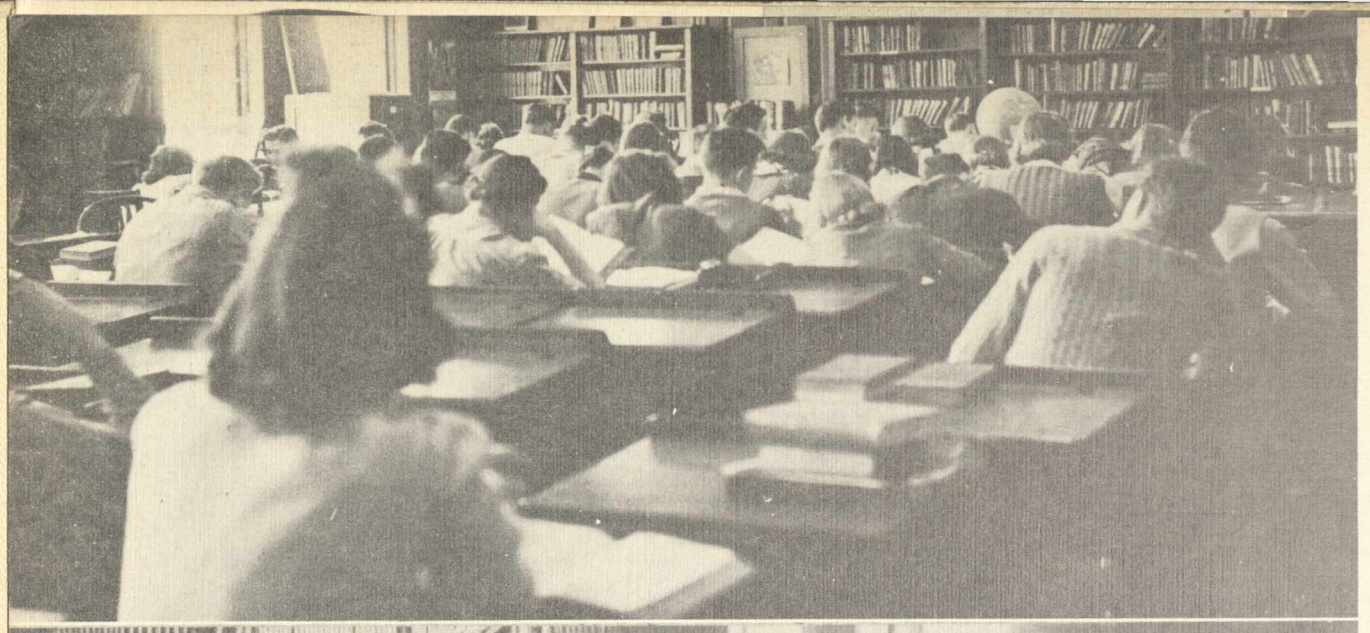


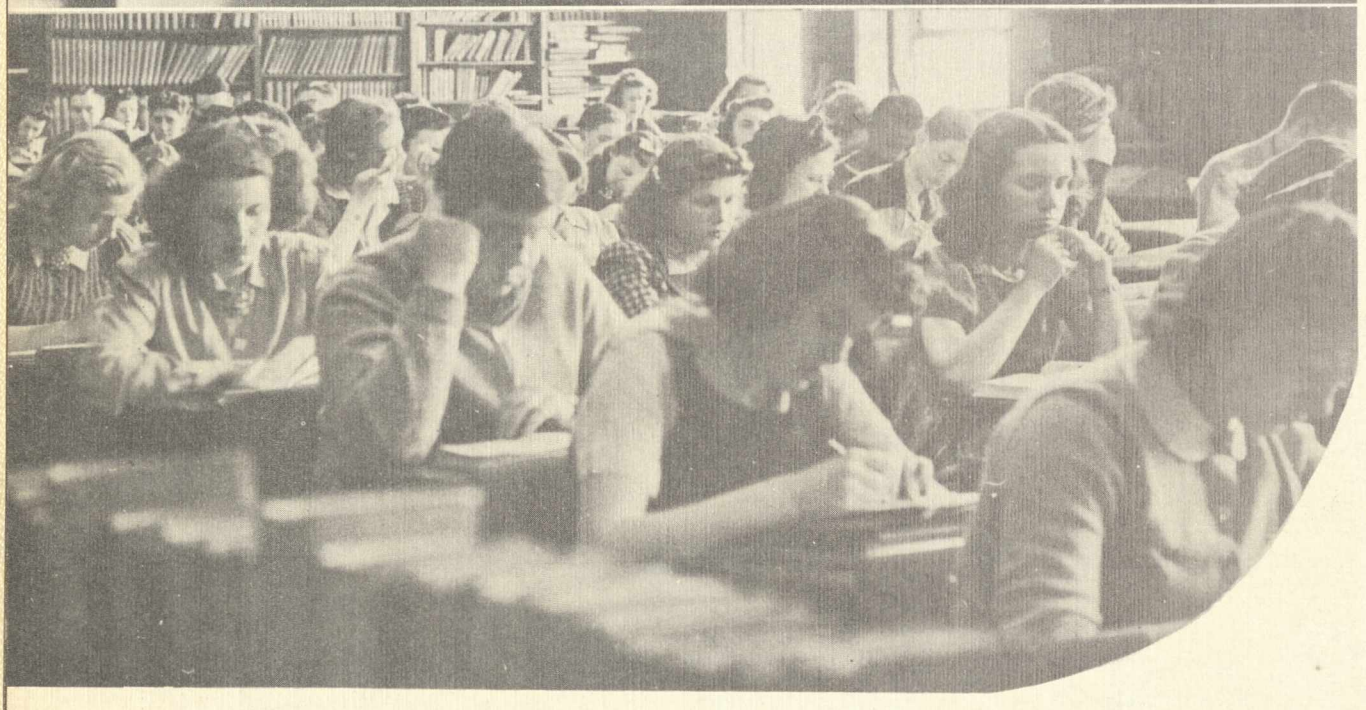






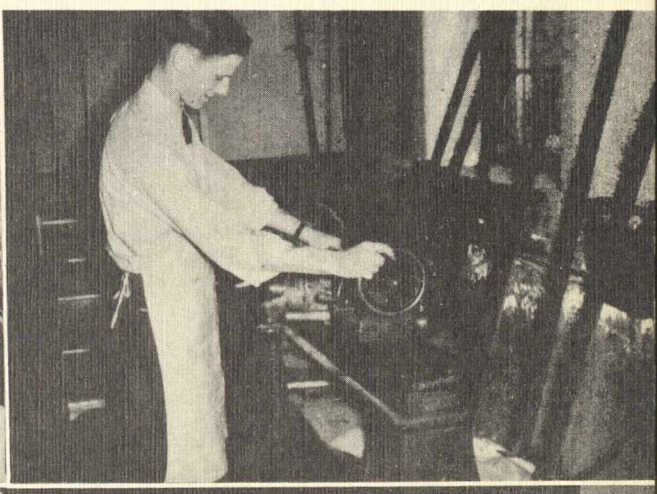


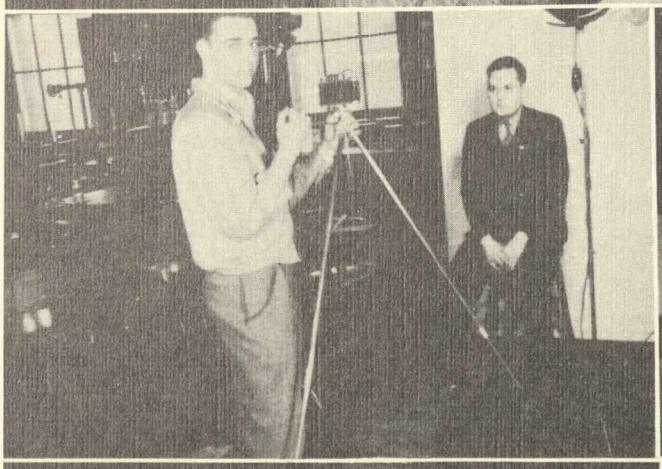




and study — at least some do.

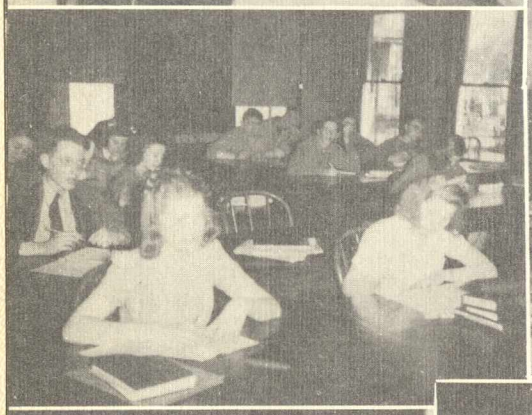
Some interview the deans and others take pictures while some few work hard in music and shop and one or two — sleep.

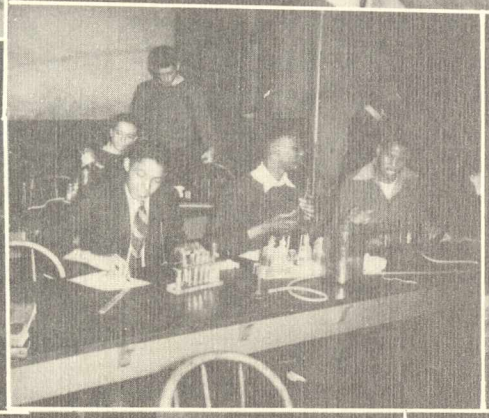


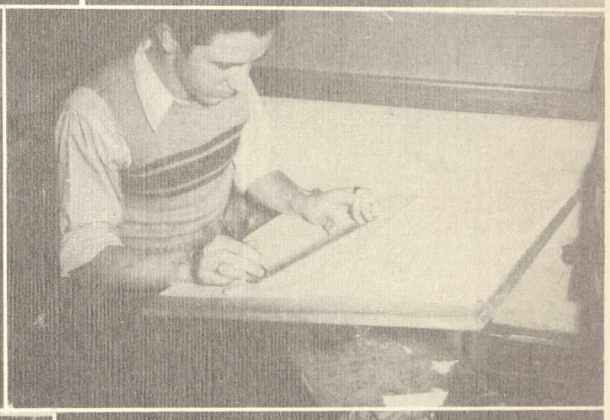


We all take English — some learn how to eat and some attend play practice.

While some students practice in our office, others attempt to solve physics and geometry problems and complete their typing and drawing assignments.







Of course we also go to many other classes and labs — some to study, some to learn and some to play as the day progresses.

ADMINISTRATION

PRODUCING SOUND AND
CAPABLE STUDENTS IS THE
WORK OF THE FACULTY

A school of course consists of more than pupils so we record here the Administration the principal deans, counselors and teachers.

We have tried to emphasize action throughout this book so here is some action of importance.

We hereby dedicate the 1941 WILEYAN to all those students and faculty members who during these past seventy-nine years have built up and added to the honor and renown that is Wiley's in the field of scholarship and leadership.

The Wiley Band

The Wiley Band has made vast improvement in the past four years under the direction of Mr. John Bright. It has taken part in a large number of Terre Haute celebrations and has also played for many well-known organizations. The Band has been very faithful in playing for different athletic contests, both basketball and football games. Wiley tried a new feature this year by having the band march on the gymnasium floor between the halves of the basketball games. It was done very nicely and it proved to be a success.

This year a total of thirty-three people made up of solos and ensembles, will represent Wiley at Flint, Michigan, at the National Contest.

They are:

Soloists: Jack Shanklin, clarinet; Jo Ann McCoullough, marimba; Barbara Miller, piano; John White and Jack Moore, saxaphone; Robert Niebrugge, baritone; and Kenneth Elliott, cornet.

Ensembles:

Clarinet Quartet—Benson Gillen, Paul Johnson, Rita Shickel, and Clifford Schafer.

Brass Quartet—Forest Croll, Robert Rudd, Robert Brown, and Robert Niebrugge.

Brass Sextet—Forest Croll, Harry Beasley, Max Halstead, Wayne Williams, Jack Beeson, and Robert Kylander.

At the 1941 State Contest, Wiley made a very good showing of first division, in both marching and playing. They are also proud to add that this is the first time a Terre Haute Band has ever accomplished this.

The Band consists of members and has both officers and a board which follows: President, John White; Secretary, R. J. Green; Executive Board, Jack Shanklin, Joan Brill.

The Band is led while marching by James Williams and his assistants: Pearl Gibson, Audrey Osterhage, Margaret Monninger, and Phyllis Gable.
